

**PARTY PANAMA**

The **PARTY PANAMA** is the latest evolution of the Zomodo Panama Prep-Stations. The stainless-steel sink is thermally insulated and kitted with an ice bucket, a double bottle holder, and 2 Fibre-Rock® covers/boards, and is the perfect centrepiece for home cocktail parties. Extra bottle holders can be added to accommodate up to 6 bottles.

The Fibre-Rock® covers can double as stylish serving platters for those all-important cocktail hors d'oeuvres, and be used as cutting boards, which are knife-friendly, anti-bacterial and odour resistant. When not being used the ice bucket and bottle holders can be stored inside the sink and the sink covers fitted.
